

# FULL-E

## OFFROAD AT ITS BEST

Our full-suspension bike for every challenge – the perfect blend of design and power. Your sporty companion for every adventure and every challenge.

### #Powerful design

The latest high-performance EP801 drive system, combined with the integrated battery, offers excellent power assistance and a natural riding experience – ideal for tackling steep climbs and challenging sections.

### #Perfectly matched

Three different suspension packages for different types of rider and various terrains – so your e-bike is perfectly suited to your adventures.

27.5" | 29"

43 cm | 47 cm

High-performance  
Shimano  
mid-drive motors

Wide range  
of colours

The FULL-E blows me away on every trail! Powerful performance, excellent suspension – perfect for any adventure!

~ Max, a passionate downhill rider ~

## A WIDE RANGE OF OPTIONS

### Suspension systems for every terrain

Whether it's sporty riders, challenging trails or fast enduro descents – with our range of suspension packages, you'll be ready for any trail.

### Range of colours

Choose from a wide range of colours – from bold and sporty to stylish and understated – and turn your bike into a unique eye-catcher.

### Full suspension

The full-suspension frame, whose suspension travel you can adjust to suit your suspension setup, offers you optimal traction and damping on any terrain.

### Enhanced comfort

Whether it's ergonomic handlebars, high-quality pedals or custom-tuned components – you'll be perfectly equipped for any challenge.
